Celebrate God

O God of all eternity,
sustainer as we call,
who prophets said would come to us,
a Saviour to us all.
God guides us as we journey on,
and feeds us on our way.
The Faithful One, through joys and strife,
has brought us to this day.

O Jesus, Son of God most High,
yet in a manger lay,
incarnate God, the Prince of Peace,
He walked each chosen day.
In faithful love, the Cross He bore,
endured the cold of tomb,
to rise again eternally
and make for all a room.

O Spirit, power of God to serve,
Poured out upon us all.
God's Spirit gifts us by His choice
to answer to His call.
Throughout the years, both then and now
and as God leads us on,
His promised presence still remains,
and never will be gone.

O Trinity, the power of Three,
the mighty Three in One.
We offer praise for who you are
and all that you have done.
And as we look to future years
We know your hand we'll see,
Your purpose will unfold in us.
To You all glory be!
