

## Searching St. Luke's Library

Our library is housed in the Lounge in the Hall. It is a little unconventional in its checkout. Please help yourself, take out the card from the pocket inside, put **YOUR NAME** and **PHONE NUMBER** on the card, and leave it in the box provided.

Then to remind *yourself*, put the date you took it out on the DATE DUE slip in the book. Different eh? No one will come hunting, but please do not store the books in *your* Library!

To see more about the books in St. Luke's Library, you will need a computer with Internet Access. I am using Victoria High School's Library to "house" the information, and pictures of the covers. They don't mind. Here's how you reach it.

Go to:

1. <http://destiny.sd61.bc.ca/>
2. Scroll down to [Victoria High School](#). Hit the link.
3. Click on the **Catalog tab** (like a file folder).
4. Click **Resource Lists** portal on the left sidebar.
5. Click **Public Lists tab** on Right side.
6. Scroll down to **St. Luke's Library**.
7. Click **VIEW** box.

The list is presently **sorted by Call Number** and the Library is organized by Call Number on the shelves in the Lounge. But the list can be sorted by Title or Author using the Sort By drop down menu at the top of the list.

If you want to **search** the collection though, you will be using the whole Victoria High School catalog by going to the **Library Search tab** on the left sidebar.

St. Luke's holdings will have SL before the Dewey decimal number. Did your eyes glaze over? Hope not.....

The list for St. Luke's will be updated continually through Victoria High School's site as I add more titles, but we *cannot* add a direct link to St. Luke's webpage.

Enjoy!
