

Welcome to St. Luke's Library!

Please feel free to browse and borrow from St. Luke's Library, located in the Hall Lounge. This is an honour system library, so you may keep the book as long as you need it.

Here's what to do to **check out** a book:

- Remove the card from the back pocket
- Put today's date on the "Date Due" sheet inside the book back (that way YOU know when you borrowed it)
- On the card, **PRINT your phone # in the "Date Due" spot**
- **PRINT your name** as borrower
- Place the card in the wooden box - don't worry about sorting

When you **return the book**, please place it in the "bin". Norma will return the card to the book and reshelve as time permits.

Patrons: Please do NOT take a book from the bin, without finding the card and following the steps above.

Also, if you wish to take a book that has not been catalogued yet, just list its title, your name and phone number in the binder.

PS: Children's books NOT for lending yet! Thanks, and enjoy,

If you have questions, please leave a message for Norma Jee by calling the Church Office 250-477-6741.

Thanks, Norma, for your all work in getting our St. Luke's Library up and running!
