

**PARISH COUNCIL HIGHLIGHTS**  
**September 20, 2011**

|                         |                       |              |
|-------------------------|-----------------------|--------------|
| <b><u>Financial</u></b> | August Income         | \$ 21,972.33 |
|                         | August Payments       | \$ 29,206.05 |
|                         | Year to date Income   | \$197,796.89 |
|                         | Year to date Payments | \$238,530.18 |

Our Diocesan assessment of \$3,950 per month is paid in full to the end of August 2011.

**South Island Centre** will make a presentation at the October Council meeting regarding their renovation plans for the rectory.

**Renovations to the Hall Bathrooms** are planned for next summer. Meanwhile the storage space at the back of the hall will be reorganized so that the storage closet in the lounge can be cleared.

**Thrifty Foods Smile Card Program** - We are planning to buy a software program, Resource Mate, to use with the St. Luke's library. It was suggested that we ask Thrifty Foods if we could use the \$2000 we received from this year's Smile Card program for this project instead of the sound system since we still need more information before buying a sound system. Thrifty Foods has agreed that we can do this. Once we purchase the software and a laptop for the library, we will apply again for the Smile Card program and use the proceeds to buy a sound system.

**St. Luke's Blog** - Will has started a St. Luke's blog. The address is <http://stlukescedarhill.wordpress.com/> Comments are welcome and Will plans to update the blog regularly.

**Camp Weekend for 2012** will be the long weekend in May - May 18<sup>th</sup> - 21<sup>st</sup>. Mark your calendars and watch for more information.

**Dates to Note:**
