

## Welcome to St. Luke's Library!

Please feel free to browse and borrow from St. Luke's Library, located in the Hall Lounge. This is an honour system library, so you may keep the book as long as you would like. However, please remember that others might like to read the book as well.

Here's how to **check out** a book:

- Remove the card from the back pocket.
- On the card, put today's date on the "Date Due".
- **PRINT** your **name** as borrower and **PRINT your phone number** underneath.
- Place the card in the wooden box – don't worry about sorting.

When you **return the book**, please place it in the "bin" beside the wooden box. The Volunteer Librarians will return the card to the book and reshelve as time permits.

Please do NOT take a book from the bin, without first finding the card and following the steps above.

If you have questions, please leave a message for the Volunteer Librarians by calling the Church Office at 250-477-6741.

The computer, printer and ResourceMate software used to catalogue this library as well as a number of the books in the library were purchased with funds from the Thrifty Foods Smile Card Program. Thank you to Thrifty Foods for supporting St. Luke's Library!
